

## Photronics Receives Supplier Award from Nanya Technology

June 11, 2018

BROOKFIELD, Conn., June 11, 2018 (GLOBE NEWSWIRE) -- [Photronics, Inc.](#) (NASDAQ:PLAB), a worldwide leader in supplying innovative imaging technology solutions for the global electronics industry, was selected by Nanya Technology Corporation (TWSE:2408) as the excellent supplier for its South Asian Branch in 2017.

"It is an honor to accept this recognition on behalf of everyone at Photronics, including our PDMC joint venture, that has exemplified our commitment to provide great technology solutions and service every day," stated Peter Kirlin, chief executive officer. "Our partnership with Nanya has continued to expand and is now stronger than ever. By working together with them, we are able to combine our regional and global technical strengths and unique memory mask capabilities, enabling Nanya to deliver leading-edge memory solutions to their customers. This is another notable example of how Photronics works across sites and geographies to deliver outstanding value to our customers."

### About Photronics

[Photronics](#) is a leading worldwide manufacturer of [photomasks](#). Photomasks are high precision quartz plates that contain microscopic images of electronic circuits. A key element in the manufacture of semiconductors and flat panel displays, photomasks are used to transfer circuit patterns onto semiconductor wafers and flat panel display substrates during the fabrication of integrated circuits, a variety of flat panel displays and, to a lesser extent, other types of electrical and optical components. They are produced in accordance with product designs provided by customers at strategically located [manufacturing facilities](#) in Asia, Europe, and North America.
