Photronics To Report First Quarter Earnings And Host Public Conference Call

BROOKFIELD, Connecticut February 7, 2007 -- Photronics, Inc. (Nasdaq:PLAB), a worldwide leader in supplying innovative imaging technology solutions for the global electronics industry, will announce financial results for the first quarter of fiscal 2007 on Wednesday, February 14, 2007 at approximately 4:30 p.m. ET. Company management will host a public conference call on Thursday, February 15, 2007 at 8:30 a.m. ET to discuss Photronics' quarterly results and business highlights. During the call, Company management will respond to questions concerning, but not limited to, the Company's financial performance, business conditions and industry outlook. Some of these responses may contain information that has not been previously disclosed.

Analysts, investors, and the media may participate in the call by dialing (212)748-2807. Participants outside of the United States and Canada can access the call using the same number. It is suggested that participants call in five minutes prior to the call's scheduled start time. This call will also be broadcasted live on Photronics' web site at www.photronics.com. It will be archived on the Company's website until Photronics reports the results of its second quarter after the market closes on Tuesday, May 15, 2007.

Photronics is a leading worldwide manufacturer of photomasks. Photomasks are high precision quartz plates that contain microscopic images of electronic circuits. A key element in the manufacture of semiconductors and flat panel displays, photomasks are used to transfer circuit patterns onto semiconductor wafers and flat panel substrates during the fabrication of integrated circuits, a variety of flat panel displays and, to a lesser extent, other types of electrical and optical components. They are produced in accordance with product designs provided by customers at strategically located manufacturing facilities in Asia, Europe, and North America. Additional information on the Company can be accessed at www.photronics.com.
