

## **PHOTRONICS EU-U.S. PRIVACY SHIELD POLICY**

### **I. OVERVIEW.**

Photronics Inc. (including its subsidiaries set forth on Schedule I attached hereto) (collectively, “Photronics” or “our”) is committed to respecting the privacy of its employees and business partners in a lawful, fair, and transparent way. Photronics participates in the EU-U.S. Privacy Shield framework (“Privacy Shield”) as set forth by the U.S. Department of Commerce for the collection, use, and retention of personal information from European Union member countries transferred to the United States pursuant to the Privacy Shield (the “Privacy Shield Principles”). Photronics agrees to subject to the Privacy Shield Principles all personal data received from the EU in reliance upon the Privacy Shield. If there is any conflict between the policies in this Photronics EU-U.S. Privacy Shield Policy (“Privacy Shield Policy”) and the Privacy Shield Principles, the Privacy Shield Principles shall govern. To learn more about the Privacy Shield program, and to view our certification page, please visit [www.privacyshield.gov](http://www.privacyshield.gov). For more information about Photronics’ commitment to privacy, please see the privacy policy accessible on [www.photronics.com](http://www.photronics.com).

### **II. DEFINITIONS.**

**“Data Subject”** means all individuals whose Personal Data are Processed by Photronics, including current, future, and former employees, customers, suppliers, other contractual partners, and website visitors.

**“Personal Data”** means any information relating to an identifiable person who can be directly or indirectly identified in particular by reference to an identifier. An individual is identifiable if he/she can be directly or indirectly identified, e.g. full name, address, phone number, date of birth, government issued identification number government issued identification number, home address, phone numbers, age, compensation information and other human resources-type information.

**“Process”** means any automated or non-automated operation or set of operations performed in respect of Personal Data or Sensitive Data – such as collection, recording, storage, adaptation, alteration, selection, retrieval, use, transmission, blocking, deletion or erasure. This definition will also apply to the word “Processing” or “Processed” when used in this context.

**“Sensitive Data”** means information about a Data Subject’s race or ethnicity, religious beliefs, sexual orientation, and political opinions; a Data Subject’s health, including any medical condition, health and sickness records, including where they leave employment and under any benefits plan operated by Photronics the reason for leaving is determined to be ill-health, injury, or disability, the records relating to that decision; details of any absences (other than holidays) from work including time on statutory parental leave and sick leave; where you leave employment and the reason for leaving is related to a Data Subject’s health, information about that condition needed for pensions and permanent health insurance

purposes; genetic information and biometric data; and information about criminal convictions and offenses.

### **III. USE OF PERSONAL DATA AND SENSITIVE DATA.**

Photronics will only use Personal and/or Sensitive Data when the law allows us to. Unless otherwise permitted by applicable law, Photronics will only use Personal and/or Sensitive Data if:

- The Data Subject has declared his/her consent;
- The Data Subject has made public such data;
- It is necessary to perform a contract Photronics has entered into with a Data Subject;
- It is necessary to comply with a legal obligation or preserve Photronics' legal rights;
- It is required in response to a lawful request by a public authority, including for purposes of national security or law enforcement requirements or otherwise required pursuant to applicable law; and
- It is necessary for our legitimate interests (or those of a third party) and a Data Subject's interests and fundamental rights do not override those interests.

Photronics may also use Personal and/or Sensitive Data in the following situations, which are likely to be rare:

- Where it is necessary to protect a Data Subject's interests (or someone else's interests).
- Where it is necessary in the public interest or for official purposes.

Photronics may Process Personal and/or Sensitive Data about a Data Subject for all purposes permissible under applicable laws, including, but not limited to:

- Human Resources and personnel management, such as staffing; recruiting; verifying background and qualifications (if and when relevant to job functions and in compliance with the law); offering and administering payroll, insurance, and other benefits including pensions and stock options including stock purchase programs; managing work-related expenses; evaluating performance; training and career development; managing disciplinary and termination processes; responding to personnel grievances; enforcing compliance with internal policies; providing relocation related, travel, or other mobility related support; complying with applicable legal requirements; and performing other administrative and managerial tasks.
- Business operations, such as engaging a prospective party in business transactions including the purchase, sale, lease, merger, or other type of acquisition, disposal, securitization or financing (in whole or in part) involving Photronics; managing the company's assets; selecting, managing, and deploying contractors, vendors, suppliers, advisors, other professional experts, and Photronics personnel to perform work for Photronics; providing IT, finance, legal, and management services such as strategic planning, budgeting and financial forecasting, allocation of human resources, research and development, real estate and property management, storage, and computing;

safeguarding IT infrastructure, equipment, and other Photronics property and ensuring business continuity; preventing and managing security incidents and providing security services; administering occupational health and safety initiatives; authenticating worker status to authorize access to Photronics resources and facilities or to assist in authorizing access to Photronics client facilities; operating maintenance departments; maintaining business records, compiling audit trails, and implementing other reporting tools; contacting or assisting personnel and others in case of emergency; and other general administrative and operation tasks.

- Compliance with legal and other requirements, such as duties under labor laws and regulations; record-keeping and reporting obligations; government requests, inspections, and investigations; responding to legal process such as subpoenas; protecting the legal rights of Photronics, our personnel, or others; detecting and preventing crime, fraud, and conflicts of interests; auditing compliance with Photronics standards, procedures, and contractual obligations; and in the good faith belief that such use is necessary to adhere to applicable laws or perform any of the purposes herein.
- In some cases, Photronics may collect Personal Data (including Sensitive Data) about family members, close personal relationships, beneficiaries, and emergency contacts for certain purposes described below (such as the provision of health care or life insurance benefits to you or a Data Subject's dependents or in case you experience a medical emergency at work). If a Data Subject provides Personal Data about others, Photronics will rely on a Data Subject (unless otherwise required by law) to communicate to those individuals that a Data Subject is providing us with their Personal Data, to inform them that they continue to have privacy rights in such Personal Data, and to obtain their consent, as necessary, for us to Process their Personal Data (including explicit consent where necessary for the collection and disclosure of Sensitive Data). Photronics will respect the privacy rights of those individuals.

#### **IV. NOTICE.**

Photronics notifies Data Subjects about the types of personal data collected and, where applicable, the entities or subsidiaries of Photronics also adhering to the Principles; its commitment to subject to the Principles all personal data received from the EU in reliance on the Privacy Shield; the purposes for which Photronics collects and uses Personal Data; how to contact Photronics with any inquiries or complaints; the type or identity of third parties to which Photronics discloses personal information, and the purposes for which it does so; the right of individuals to access their personal data; the choices and means Photronics offers individuals for limiting the use and disclosure of their personal data; the independent dispute resolution body designated to address complaints and provide appropriate recourse free of charge to Data Subjects; the possibility, under certain conditions, for Data Subjects to invoke binding arbitration; the requirement to disclose personal information in response to lawful requests by public authorities, including to meet national security or law enforcement requirements; and Photronics' liability in cases of onward transfers to third parties.

## **V. CHOICE.**

If Personal Data covered by this Privacy Shield Policy is to be used for a new purpose that is materially different from that for which the Personal Data was originally collected or subsequently authorized, or is to be disclosed to a third party, Photronics will provide Data Subjects with an opportunity to choose whether to have their Personal Data so used or disclosed. Requests to opt out of such uses or disclosures of Personal Data should be sent to: [privacy@photronics.com](mailto:privacy@photronics.com).

If Sensitive Data covered by this Privacy Shield Policy is to be used for a new purpose that is different from that for which the Personal Data was originally collected or subsequently authorized, or is to be disclosed to a third party, Photronics will obtain the Data Subject's explicit consent prior to such use or disclosure. Photronics will not subject Data Subjects to decisions that will have a significant impact on them based solely on automated decision-making, unless Photronics has a lawful basis for doing so and has notified a Data Subject.

Photronics may share Personal Data with its affiliates and subsidiaries. Photronics may disclose Personal Data without offering an opportunity to opt out in response to valid requests by public authorities, including to meet national security or law enforcement requirements. Photronics also reserves the right to transfer Personal Data without consent under any circumstances permissible under respective applicable national laws and regulations.

## **VI. ACCOUNTABILITY FOR ONWARD TRANSFER OF PERSONAL DATA.**

Photronics may transfer Personal Data to its third-party agents or service providers who perform functions on its behalf. Where required by the Privacy Shield, Photronics has or will enter into written agreements with those third-party agents and service providers requiring them to provide the same level of protection the Privacy Shield requires and limiting their use of the data to the specified services provided on its behalf. Photronics takes reasonable and appropriate steps to ensure that third-party agents and service providers Process Personal Data in accordance with Photronics' Privacy Shield obligations and to stop and remediate any unauthorized Processing. Under certain circumstances, Photronics may remain liable for the acts of our third-party agents or service providers who perform services on our behalf for their handling of Personal Data that Photronics transfer to them. A Data Subject may also request that Photronics transfer Personal Data to another party.

## **VII. SECURITY.**

Photronics maintains reasonable and appropriate security measures to protect Personal Data from loss, misuse, unauthorized access, disclosure, alteration, or destruction in accordance with the Privacy Shield.

## **VIII. DATA INTEGRITY AND PURPOSE LIMITATION.**

Photronics limits the collection of Personal Data covered by this Privacy Shield Policy to information that is relevant for the purposes of Processing. Photronics does not Process such Personal Data in a way that is incompatible with the purposes for which it has been collected or authorized by a Data Subject.

Photronics takes reasonable steps to ensure that Personal Data is reliable for its intended use, accurate, complete, and current. Photronics takes reasonable and appropriate measures to comply with the requirement under the Privacy Shield to retain Personal Data in identifiable form only for as long as it serves a purpose of Processing. Photronics will only retain Personal Data for as long as necessary to fulfil the purposes Photronics collected it for, including for the purposes of satisfying any legal, accounting, or reporting requirements. To determine the appropriate retention period for personal data, Photronics considers the amount, nature, and sensitivity of the personal data, the potential risk of harm from unauthorized use or disclosure of the Personal Data, the purposes for which Photronics may Process the Personal Data, whether Photronics can achieve those purposes through other means, and the applicable legal requirements. Photronics will adhere to the Privacy Shield Principles for as long it retains Personal Data.

## **IX. ACCESS.**

Data Subjects generally have the right to access the Personal Data held by Photronics and to request that Photronics correct, amend, or delete it if it is inaccurate or Processed in violation of the Privacy Shield Principles. These access rights may not apply in some cases, including where providing access is unreasonably burdensome or expensive under the circumstances or where it would violate the rights of someone other than the individual requesting access. If you would like to request access to, correction, amendment, or deletion of Personal Data, you can submit a written request to the contact information provided below. Photronics may request specific information from you to confirm a Data Subject's identity.

## **X. RECOURSE, ENFORCEMENT AND LIABILITY.**

The Federal Trade Commission has jurisdiction over Photronics' compliance with the Privacy Shield.

Data Subjects may file a complaint concerning Photronics' Processing of their Personal Data. The complaint should be sent to [privacy@photronics.com](mailto:privacy@photronics.com). Photronics will investigate and attempt to resolve any complaints or disputes regarding the use or disclosure of Personal Data within 45 days of receiving a complaint. For any unresolved complaints, Photronics commits to cooperate with the EU data protection authorities. A Data Subject may submit its complaint to the appropriate resolution panel of the responsible data protection agency (DPA). Photronics will ensure that a Data Subject does not incur any costs in its application to the DPA. The decision of the DPA shall be binding upon Photronics. Contact details for the EU data protection authorities can be found at [http://ec.europa.eu/justice/data-protection/bodies/authorities/index\\_en.htm](http://ec.europa.eu/justice/data-protection/bodies/authorities/index_en.htm).

Photronics has further committed to refer unresolved privacy complaints under the Privacy Shield Principles to an independent dispute resolution mechanism, the alternative dispute resolution provider JAMS (Judicial Arbitration and Mediation Services). If a Data Subject does not receive timely acknowledgment of its complaint, or if a Data Subject's complaint is not satisfactorily addressed, they may visit <https://www.jamsadr.com/eu-us-privacy-shield> for more information and to file a complaint.

If a Privacy Shield complaint cannot be resolved through the above channels, under certain conditions, a Data Subject may invoke binding arbitration for claims not resolved by other redress mechanisms.

#### **XI. CHANGES TO THIS PRIVACY NOTICE PRIVACY NOTICE.**

Photronics reserves the right to update this Privacy Policy at any time in accordance with the Privacy Shield Principles. In the event material changes are made, a new Privacy Policy will be issued.
