Photronics Announces \$25 Million Share Repurchase Program

BROOKFIELD, Conn., October 12, 2018 (Globe Newswire) — [Photronics, Inc.](#) (NASDAQ:PLAB), a worldwide leader in supplying innovative imaging technology solutions for the global electronics industry, announced that its Board of Directors has authorized the repurchase of up to \$25 million of its common stock. This is in addition to the \$20 million share repurchase program that was authorized in July of this year and is now substantially complete. The purchases will occur in open market transactions from time to time depending on market conditions or in accordance with a repurchase plan under SEC Rule 10b5-1.

“We have growing confidence in our ability to generate strong cash flows and maintain a solid balance sheet as we complete our plant construction in China and begin to ramp production during the first half of fiscal 2019,” said Peter Kirlin, chief executive officer. “Our new buildings in both Xiamen and Hefei will be largely complete by the end of this month, followed by installation and commissioning of production tools. In addition, our near-term business outlook remains in line with previous expectations, and we are well positioned to continue taking advantage of what we believe is a compelling value in our equity.”

This authorization does not obligate the Company to repurchase any dollar amount or number of shares of common stock. The repurchase program may be suspended or discontinued at any time.
